PRAISE FOR  
OGIER'S PRAYER:  
THE CHILDREN OF ARTHUR, BOOK THREE

**A** MASTERFUL BLEND OF history, myth-tery and imagination, *Ogier's Prayer's* inspirational re-visioning of the past, and vivid, suspenseful storytelling will leave you craving the next installment of this thought-provoking, delightfully plot-twisting series!

— Roslyn McGrath, author of *The Third Mary: 55 Messages for Empowering Truth, Peace & Grace from the Mother of Mary Magdalene*

**I**F YOU LIKE medieval fiction, then this story should be right up your alley. It certainly was mine. The author knows how to turn a phrase. His characters are well-developed and interesting. Highly recommended.
